A Film by Cameron Saunderson

SYNOPSIS:

A young couple receive a small box with "G 3:13" written on it. Soon after arriving, the box plays havoc on the young couple's lives while a figure from medieval folklore gives them guidance.

ABOUT THE FILMMAKER:

Cameron Saunderson is an emerging Writer/Director from Leeds, UK. As Director, he regularly explores themes of personality disorders and exploring the inner conscious of one's mind.

He has written numerous scripts for a number of years including the feature-length script which he is currently seeking development funding for.
im Other scripts include and .

Cameron is also a graduate of University of Westminster where he studied History & Politics as his undergraduate Degree. He is currently pursuing a Masters Degree in Film, Television and the Moving Image, at Westminster School of Media, Arts and Design.

Dreamscape has received limited production on short experiments and and , his first foray into longer-form dramatic narrative.
